Rocco Macri.

338 E. Fourth Street.

Plainfield, N. J.

Case opened Nov. 28/25.

#

Above defendant was arrested November 25th, 1925, by police officer Eugene McGarry charged with operating an automobile while under the influence of liquor on South Avenue, Plainfield, New Jersey.

Said defendant appeared before me, November 26th, 1925, and entered a plea of "Not-Guilty".

Dr. Julian Luke, a witness on behalf of the State was called and testified that he is a physician practicing medicine in the City of Plainfield, and that he made an examination of the defendant, Rocco Macri on the 25th day of November, 1925, and pronounced him to be under the influence of liquor and unfit to operate an automobile.

Eugene McGarry, a police officer of the City of Plainfield, a witness on behalf of the State was sworn and testified that on the night of November 25th, 1925, he placed the said Rocco Macri under arrest for operating an automobile on South Avenue, in the City of Plainfield, Union County, New Jersey, while under the influence of liquor. He also stated that at the time of the arrest the defendant, Rocco Macri staggered, and that in his opinion, the defendant was under the influence of intoxicating liquor, and unfit to operate an automobile.

William Horsfield, Jr., another witness produced on behalf of the State testified that the defendant, Rocco Macri was under the influence of liquor, and that he saw the said defendant, Rocco Macri driving and operating his said automobile on South Avenue, in the City of Plainfield, New Jersey, and that in his opinion the said Rocco Macri was under the influence of liquor and unfit to drive and operate an automobile.

The State then rested its case.

The defendant, Rocco Macri, was then sworn and testified that he had been drinking, but that he was not under the influence of liquor; that he was not driving the said automobile, and that he never had a license to drive an automobile.

I adjudged the defendant "Guilty" and sentenced him to be committed to the County Jail for a period of three (3) months.

PETITION

Bernard Sachar &c.

:

To the Honorable Henry W. Clement, Judge of the Police Court of the City of Plainfield:

(also known as Bernard Sachar and Barney Sackar)
The petition of Barney Sachar/respectfully shows that:

1. On the 17th day of January, 1927, at 12:25 a.m., your petitioner was arrested by Sergeant Bader and Officer Stopinski at the corner of Clinton Avenue and West Front Street and charged with the larceny of a Ford coupe owned by the Jersey Tire Company, and driving without a driver's license or registration card with him when arrested.
2. Your petitioner was placed in a cell and at 9:00 a.m. that morning was advised that if he would pay Fifty (\$50.00) Dollars he would be freed, whereupon your petitioner paid the said sum of Fifty (\$50.00) Dollars.
3. Petitioner further states that the value of the automobile was more than Fifty (\$50.00) Dollars; that no plea was entered by him in the matter; and that at the time of the said arrest he had permission to drive said car.
4. Petitioner further states that the said court lacked jurisdiction in the matter as the value of the automobile was over Fifty (\$50.00) Dollars; that actually no larceny of the automobile took place, as the same was driven with the permission of the owner.
5. Deponent further states that he has been convicted of no other crime, nor was any subsequent indictment found against him by the Grand Jury, or was there any conviction of him of this alleged crime.

Deponent respectfully requests this court that an order may be granted directing the Clerk of said court to expunge from the court records all evidence of said conviction, and from any transmitted agency; and that any fingerprints, pictures, or photos, and identification also be expunged from the said record.

PHILIP KOPLOWITZ, being duly sworn, upon his oath deposes and says:

1. That he is the agent for the Jersey Tire Company and in charge of their Plainfield store, who were the owners of a Ford coupe driven by Barney Sachar/on January 17, 1927.
also known as Bernard Sachar and Barney Sackar

2. That at the time the said car was driven by the said Barney Sachar, (also known as Bernard Sachar and Barney Sackar) he had permission from the said Philip Koplowitz to drive its car at any time he required its use, and that on this occasion he had forgotten to notify Philip Koplowitz that he had taken the car, so that when the car was missing the said Philip Koplowitz notified the police and was not aware that he had been arrested and charged with the larceny of the car until after he had paid the fine in the Police Court of the City of Plainfield.
